

NEWSLETTER

NOVEMBER, 2023

Welcome to our first monthly newsletter! Find out what we are up to and how you can join us.

2023 saw our second in-person festival post-Covid, and hosted a display of fantastic bands and workshop leaders who were probably happier than most to be back live. If you are a band who has performed in the past and would like a write-up, or a workshop leader with some quick tips for this newsletter, contact us at the sign up link below.

Thank you to the Usual Suspects (Amazing Volunteers) who will be named throughout the year, and especially Randy Berge, Hali Hammer, Bob Helliesen, Bryan Uhlenbock, Catya de Neergaard, Kitty Crowe, Elly Faden, Gianna Ranucci, Carol Dewitt, Susan Wageman, Roan Michaels, Peter Gill, and many more, some who volunteered all day long, and of course, the City of El Cerrito.
